

Business Management, A.A.S.

24-25 catalog

Full-time with summer course schedule

Description: This program leads to an associate of applied science degree with an emphasis in management and provides the skills necessary for an entry-level job in the fields of business management and supervision. A counselor should be consulted if the student plans to transfer to a four-year institution.

Completion Time: 2 Years

This is suggested course sequencing. Please see a counselor or advisor for individual adjustments.
